

## Steps to make online payment using iPad:

1. Disable the iPad's "Block Pop-ups" inside "Settings > Safari".

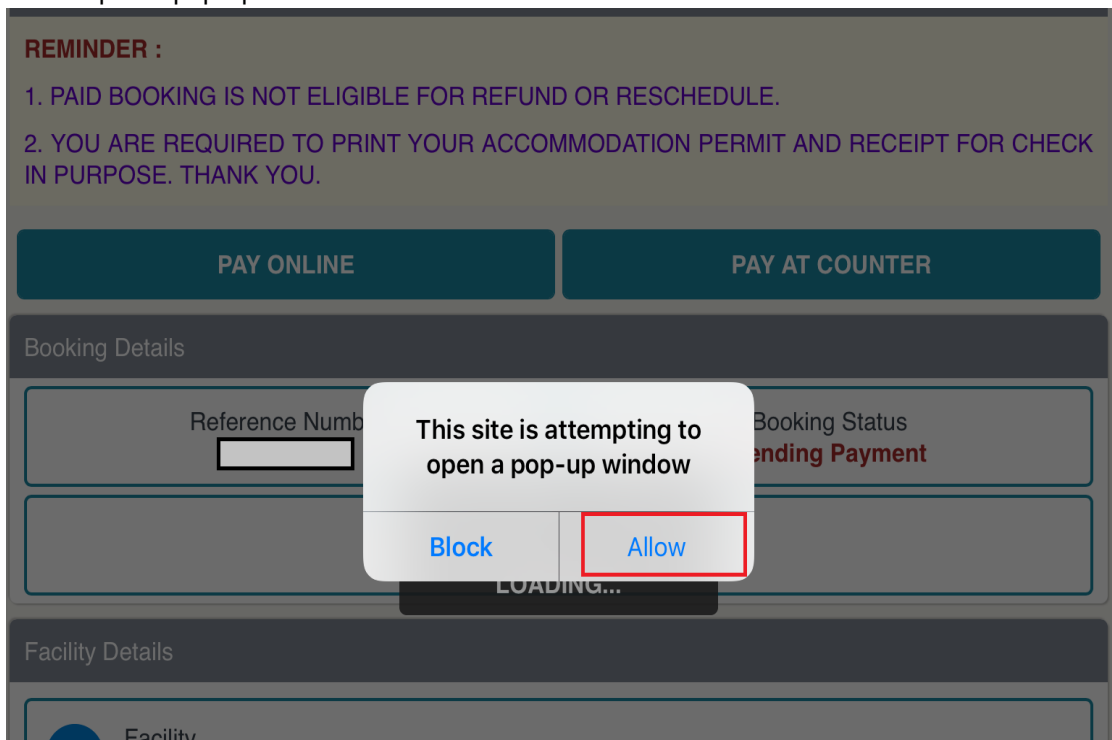

2. After that, go to eBooking website and search for the booking record.

The screenshot shows the 'Search Booking' screen of a mobile application. At the top, there is a teal header with a back arrow on the left, the text 'Search Booking' in the center, and a menu icon on the right. Below the header is a search icon (magnifying glass). There are two input fields: the first is labeled 'Reference No.' and the second is labeled 'MyKad/Passport No.'. Below these fields is a teal button labeled 'Search'.

3. Click on "Pay Online" button, then a pop-up will be shown asking whether to allow/block the site to open a pop-up window. Click on "Allow" button.

The screenshot shows the payment section of the application. At the top, there is a 'REMINDER :' section with two points: '1. PAID BOOKING IS NOT ELIGIBLE FOR REFUND OR RESCHEDULE.' and '2. YOU ARE REQUIRED TO PRINT YOUR ACCOMMODATION PERMIT AND RECEIPT FOR CHECK IN PURPOSE. THANK YOU.' Below this are two buttons: 'PAY ONLINE' and 'PAY AT COUNTER'. Underneath is a 'Booking Details' section with a table containing 'Reference Number' and 'Booking Status' (with the status 'Pending Payment'). A browser pop-up is overlaid on the screen, displaying the message 'This site is attempting to open a pop-up window' and two buttons: 'Block' and 'Allow'. The 'Allow' button is highlighted with a red border. Below the pop-up, there is a 'LOADING...' indicator and a 'Facility Details' section.

4. New tab will be opened. The screen below will be shown to allow user to choose the payment mode. Then, user can continue to complete the payment process.
